

- I. Introduction
 - A. Hook
 - 1. Surprising detail 1
 - 2. Surprising detail 2
 - B. Thesis Statement
- II. Description
 - A. Description from Source A
 - 1. Descriptive detail 1
 - 2. Descriptive detail 2
 - 3. Descriptive detail 3
 - B. Description from Source B
 - 1. Descriptive detail 1
 - 2. Descriptive detail 2
 - 3. Descriptive detail 3
 - 4. Descriptive detail 4
 - 5. Descriptive detail 5
- III. Classification
 - A. Classification System from Source A (Old System)
 - 1. Type 1
 - 2. Type 2
 - B. Classification System from Source B (New System)
 - 1. Type 1
 - 2. Type 2
- IV. Causes
 - A. Causes from Source A
 - 1. Primary Cause
 - 2. Secondary Causes
 - a) Secondary Cause 1
 - b) Secondary Cause 2
 - B. Rare Cause from Source B
- V. Treatments
 - A. Treatments from Source A (old treatment no longer used)
 - 1. Treatments
 - a) Treatment 1
 - b) Treatment 2
 - 2. Negative side effects of old treatments
 - 3. Why old treatments didn't work
 - B. Treatments from Source B (new, modern treatments)
 - 1. Treatments
 - a) Treatment 1
 - b) Treatment 2
 - c) Treatment 3
- VI. Conclusions
